

## **Europe: Getting in Line with God**

“I am excited by what is happening in military outreach throughout Europe!” reports ACCTS’ deputy director, Bernhard Kaltenbach, after attending a ministry planning meeting in the UK. “The group that gathered to plan future ministry worked for over two days to assess what military ministry in Europe needs and how we can serve military Christians, and military Christian fellowships, throughout Europe. God is definitely doing things – our desire is to get in line with what He is doing so we can do more ministry in His way. My own personal desire and hope is that God will show us how to reach and engage the younger generation of military Christians in every European nation. Please pray with us as we work toward that goal.”
