steps and real-life scenarios that they can implement in their MCFs and in outreach to their coworkers. This emphasis on practical application ensures that the impact of the conference extends beyond the event itself, transforming individual military lives and influencing positive change in the world through vibrant military Christian fellowships.

## 5. **Renewed Purpose and Passion**

Throughout the course of the 2024 AMCF World Conference, attendees will hear testimonies of God's transformative power, both from speakers and fellow participants. These stories of faith, military ministry efforts, and perseverance can reignite a sense of purpose, vision, and passion in individuals who may have experienced spiritual weariness, doubt, or religious oppression.

ACCTS is a primary supporter of the 2024 AMCF World Conference because we have seen that these conferences serve as catalysts for profound transformation, fostering spiritual encouragement, equipping future leaders, and helping military Christian fellowships expand their ministries. **The conference is only a little more than a year away, and we want to invite you right now to consider becoming a sponsor for a participant from a less-wealthy nation.**

Imagine the profound impact you could have on a military Christian's life and the international military Christian community by providing a scholarship for an AMCF World Conference participant! Your support will empower a passionate and devoted person who won't otherwise have the means to attend this transformative event. By investing in their spiritual growth, you're not only enabling their personal development but you're sowing the seeds of growth for their nation's military Christian fellowship. Together, we can shape a brighter future for worldwide military ministry as we unite in our commitment to spread Christ's message of love, redemption, and salvation across the military world.
