

ACCTS *in action*

OUR MISSION: To assist in the development of Christian leaders in the armed forces of the world and in the establishment and growth of military Christian fellowships.

SPRINGING AHEAD FOR CHRIST'S KINGDOM

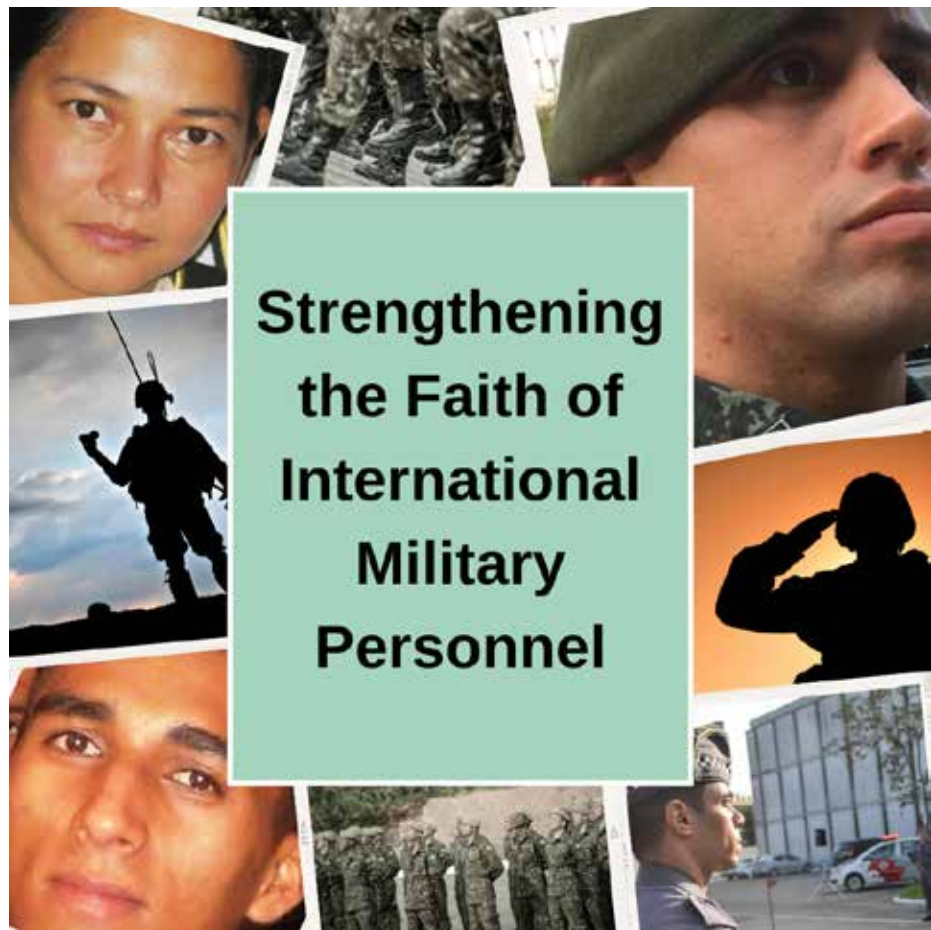

Isaiah 43:4 offers these stunning words of hope: "Because you are precious and honored in my sight, and because I love you, I will give people in exchange for you, nations in exchange for your life!" ACCTS staff and international coworkers live out the reality of this mighty promise as they travel the globe, laying down their lives daily, to encourage and equip international military Christians worldwide. They do this so that those Christians will have opportunities to learn, grow, become spiritually mature, and ultimately invest in others just as they have been invested in.

We praise God for these opportunities (look below for several examples in the next few months), and we simply could not do what we do without all of you who financially and prayerfully support this vital ministry to the armed forces of the world. Thank you so very much and, don't forget to follow us on Facebook or Instagram for timely updates:

Did You Know?

ACCTS staff have over 800 years of combined military service! If you're interested in supporting their work, visit www.accts.org to learn more.

Help Wanted: Global Interaction Scholarship Provider

Details: Provide partial or full scholarship assistance to an international military Christian to enable them to attend the military Christian leadership conference, 2024 AMCF World Conference, in October (Sao Paulo, Brazil).

Experience: Must have a love for international military personnel and a desire to encourage spiritual growth and transformation.

The Benefits: Being a part of God's work to bring military men and women to a deeper knowledge of Christ! Previous AMCF World Conferences, with assistance from ACCTS, served as crucial events that help Christians in the armed forces learn more about military ministry and how to increase it in their nations. We hope reading these statements, from previous World Conference participants, will inspire you and spark a desire to get involved in the October 2024 conference by helping provide scholarship assistance!

How to Donate: The average cost of an international military Christian's participation at the World Conference is \$2,500 (which includes airfare and all conference costs.) Whether you're able to provide partial help toward a scholarship or contribute toward a full scholarship, your donation will be used by God to advance His kingdom work on our earth! You can donate by mail or via our website (www.accts.org) - click the red "donate" button and choose "select purpose" then choose "2024 AMCF World Conference." Thank you!

"I believe one day God will open a way for our country to build some Christian churches...I am planning to find work together. I want to start an MCF in my country." - former World Conference attendee from a religiously restricted nation

"The inspiration of the conference provided a catalyst to indicate ways in which the ministry among military people will progress [in South Asia] ...The Indian delegates have returned with new determination to put the Cornelius Network [military Christian fellowship] of India on a south footing..." - South Asian participant

"Meeting all these people, I realized I was standing among people who are literally world changers!" - active-duty participant, 2014 World Conference

"Our time together in South Africa left me with a renewed sense of urgency and commitment to live and work in Christ's unity and love so that men and women in uniform around the world would come to believe and trust in Jesus Christ, our Savior." - international participant

"It was a time of great renewal and spiritual re-charging. Africa is the 'frontline' continent in matters of religious conversions. If the Christian church does not arise to the challenge, other faiths will certainly overtake us." - Kenyan participant

A Firestorm of Impact!

Imagine a global network of military Christians gathering to sharpen their skills, reignite their passion, and move forward with purpose! That's the power behind international conferences, and here's why ACCTS believes in them: ACCTS has witnessed firsthand how these conferences transform military believers – and their nations! Conference participants learn from each other's experiences, find encouragement in their faith, and gain the tools to become even more effective ministers within their nations' military communities. It's a start point of inspiration that leads to an advance for Christ's kingdom on earth.
